

FAST TRACK CHECKLIST

Use this checklist to make sure you have provided everything to keep your Hospital Indemnity Insurance claim on the **FAST TRACK**.

I have completed the claim form in full.

You can avoid delays in claim processing by completing the required information on the claim form.

I have signed and dated the Authorization on the second page of the claim form.

I have included copies of the itemized bills needed to support my claim. If I received treatment at a Veterans Administration Hospital, I have provided the admission/discharge paperwork AND operative reports (if your coverage includes a Surgical Rider) in place of an itemized bill.

I have verified that my itemized bills include the dates of service, description of services provided, the charged amount, and the medical coding associated with my treatment.

I have included my pathology report if I have been diagnosed with Cancer.

The below is **ONLY** required if your claim date of service falls within the **FIRST YEAR** of coverage.

I have provided the name and address of any physician who treated me in the year prior to my policy effective date in Part 2.A.

I have included Part 3 - Attending Physician's Statement completed by my physician.

I have completed and included the Medical Records Release Form.

Please note: If required information is omitted, this may result in a delay in the processing of your claim. Should you have questions, please feel free to call a claims representative at 877-883-8800. Please allow up to 30 days for claims processing.
